The London Mayor's pledge to provide

**FREE
SCHOOL
MEALS**

The Mayor of London is providing funding that will help up to **270,000 primary school** children in London, like yours, access free school meals and could save your family **upwards of £440** across the year.

Your child will receive their **free school meals automatically**, but it's vitally important that you still complete your school or borough's registration form in case your child is eligible for **extra funding** for their school from the Government, worth **£1,300 per year**.

That's extra money to spend on enrichment activities, teacher development, and targeted support for the children that need it most.

Depending on how schemes operate in your borough, it may also entitle you to other benefits like food vouchers during the holidays.

Could save you up to

£450
a child per year
