

# **OUR LADY OF LOURDES CATHOLIC PRIMARY SCHOOL**

## **ACCESSIBILITY POLICY September 2017**

## **MISSION STATEMENT**

Our Parish School of Our Lady of Lourdes  
welcomes everyone in the community,  
to share with us the joys of our Catholic Faith.  
We worship, learn and play together in the love of Jesus,  
helping one another to become the people  
God has created us to be.

### **Rationale**

The School has a duty to ensure:

- Disabled pupils can fully participate in the school curriculum
- The physical environment of the school supports and increases the extent to which disabled pupils are able to take advantage of all school services
- That physical and learning environments can be reasonably accessed by disabled pupils to meet their needs

### **Aims**

- Make every child feel welcome
- Value all pupils equally
- Have high expectations of all pupils
- Remove all barriers to learning and participation

### **Action Points:**

- The physical environment of the school will be monitored by the Resources Committee to ensure that all reasonable adjustments are being made to this end.
- An accessible curriculum will be monitored by the Curriculum Committee, who will liaise with the SENCo and the Headteacher.
- Staff training and awareness will be monitored by the Headteacher.
- The governing body will be responsible for ensuring that the terms of reference for the Curriculum committee and the Resources committee are reviewed to reflect these responsibilities and that they are included on committee agendas.

### **Broad Guidelines**

A disabled pupil can be discriminated against on two ways:

1. By less favourable treatment (there are situations where there may be a reason for less favourable treatment).
2. By the School failing to make a 'reasonable adjustment'. Schools may be guilty of discrimination if they fail to take reasonable steps which lead to disabled pupils and prospective pupils being placed at a 'substantial disadvantage' compared to non-disabled pupils.

The school will review practice and draw up short, medium and long-term targets. The action plans will be reviewed by the relevant committees and staff with a view to improving access for all children.
