

Our Lady of Lourdes

Catholic Primary School

Wednesday 24th June 2026

Dear Parents / Carers,

Following our recent Ofsted inspection, I am pleased and proud to send you all a copy of the final report. On reading it, you will see that the feedback is extremely positive and a reflection of the fantastic work done every day by Mrs Hood and her team. I am grateful that the inspectors recognised the incredible hard work and outstanding levels of commitment, professionalism and kindness displayed by all staff at the school as they strive collectively to provide the very best care and education for the children in their care.

We are very grateful for your involvement with the inspection process which was incredibly positive and would like to thank you for the on-going support and engagement. I know that your children conducted and represented themselves impeccably; the chief inspector was particularly impressed by the behaviour, conduct and social skills of the children throughout her visit. They were an absolute credit to their families and their school.

When reading the report, it is worth noting that the category of 'Expected' within the new Ofsted framework has a very similar criteria to the 'Good' category within the old framework under which we were previously inspected. The 'next steps' advice within the report is generally building on the excellent work going on in the school. Going forward we will continue to build on the excellent work undertaken by the staff team and the feedback will inform our school development plan.

On behalf of all the governing body I would like to thank and congratulate Mrs Hood and all the OLOL staff for this excellent feedback and wish you all a very happy and peaceful summer.

Yours sincerely,

Nicky Madigan
Co-Chair of Governors
